January 18, 2022

Dear Business Owner/Sponsor,

We are soliciting your support for our annual Labor Day Car Show to be held on September 3, 2022 with a rain date of September 4th at the Greene Turtle, 3213 Solomon’s Island Road, Edgewater, Maryland. We are a register 501(c) 7, non-profit organization and all proceeds from this event will directly benefit our chosen charity, the Woodland Beach Volunteer Fire Company, which provides lifesaving support to the residents and businesses in the Eastport/Annapolis area.

For your support and sponsorship, we are asking you to consider one or more of the following:

- A donation made payable to either the fire company or Wheels From The Past Car Club. Your donation will be conveyed with other event proceeds to the charity.
- Promotional Items – Provide us with merchandise, promotional items, or coupons that that we can distribute to car show participants or use as door prizes.

For your sponsorship, we will provide for you the following:

- Post your sponsor ad to our website for one year.
- Repeated announced recognition of your support at the event.
- A framed certificate acknowledging your sponsorship suitable for displayed at your business.

This event is one of the largest annual car shows in the Annapolis/Edgewater area. Your sponsorship will expose your business to the 100+ car registrants as well as the countless spectators that enjoy this annual show. Last year we had 150 registered participants as well as many unregistered.

Thank you for your time and consideration. Should you have any questions, please don’t hesitate to contact me or the member of the Wheels From The Past who has presented this letter to you. Attached is a flyer, which we hope you will post in your place of business to promote this upcoming charitable community event.

Ben Kamm
